Union Cross Baptist Church is prayerfully seeking a full-time Pastor who will support the vision and ministries of our church, as well as shepherd and provide pastoral care to our congregation.

At the present time, we have approximately 75 active members, and our congregation supports Pilot Mountain Baptist Association, Cooperative Baptist Fellowship of NC, and the Southern Baptist Convention.

Kernersville is in a growing area in the heart of the Triad surrounded by Winston-Salem, Greensboro, and High Point.

Our preferred candidate should have at least 7 years pastoral experience and have a passion for church growth and community outreach, be a strong leader and humble servant that connects to individuals of all ages. Communication and interpersonal relationship building skills would be expected with our congregation and church staff. At this time, we need someone with a vision to lead our church through God's spiritual journey for our members and outreach in our community.
